

All,

We would like to start off by thanking those who selected the Warrior Classic to be one of your team's Spring events. We have worked diligently for 34 years to be one of the best tournament experiences around, and we appreciate your support. Nearly 300 teams were looking forward to playing in this year's event, even when returning to play was uncertain. This support allows us to maintain one of the finest soccer facilities in the region where the Ohio South Cup tournaments, multiple leagues, and youth programs are held for players from all over the state.

As we all are anxious to return to the game we love, we also need to be mindful of the situation at this time. Our most important commodity is people. Players, parents, and their coaching staff's wellbeing should always come first. While it may be possible that the State of Ohio's restrictions and its Stay at Home order has been relaxed by Memorial Day weekend, we feel that risk still outweighs the need to get back to QUALITY competitive events. Because of this, we have made the difficult decision to forego this year's event.

It's our hope that you and your teams will take the holiday weekend as a chance to get out of the house and enjoy responsibly if restrictions allow.

Please extend to your players and their families that we regret not being able to play, and that we look forward to seeing you back on the pitch again soon.

Thank you - please stay healthy and safe

Warrior SC and the adidas Warrior Soccer Classic Staff.
